# What is a Pinsa Romana Gourmet?

**Pinsa was the first kind of pizza made in Italy!**

**We replicate the ancient Roman recipe of mixing stone ground flours and allowing the natural leavening process to do its thing.**

**This process, along with some of our Chefs' alchemy creates a low calorie (yep, you heard right!).**

**Crispy floury crust and a tasty light centre.**

## How to choose your Pinsa?

**You can choose either a Red or White Pinsa.**

**This is simply with or without tomato sauce as your base.**

**Feel free to add some extras or change with your favourite toppings!**

**We complete your Pinsa using high quality Italian ingredients.**
